### PROFILE

As a highly motivated and dedicated individual with a passion for front-end web development, I am excited to apply my strong technical skills and knowledge to a professional role. Despite having no professional experience, I have honed my skills through various personal projects and online tutorials, and I am eager to apply my skills to real-world projects. I am a quick learner, a problem-solver and a team player. I am confident that my skills in HTML, CSS, JavaScript, along with my understanding of responsive design and user experience, will make me a valuable asset to any team.
